## 800X1200MM | 800X1600MM

This carving collection Makes a lasting and spectacular interior ambiance. Make your space elegant and premium with carving finish tile volume.

## One texture in 2 different size

If you're wondering how to transform the area into an aesthetically rich appeal with tiles, Carving Effect is an outstanding choice. Beige hue carving tile finish available in various size ranges including sizes 800*1200mm and 800*1600mm tile collection. The carving Effect harnesses the essence of nature through authentic stone design and adds an appealing vibe to your area. The carved veins in the tile glimmer as the light illuminates the tile's engraved veins. The carving finish has a style that in veins adds to the tile that creates an impressive impact on your floor.

Carving Finish Tile not just adds volume to your flooring but also a gleaming quality. Carving tile creates a perky style in your decor.
